Scramble Rules

12:15 Shotgun Start

- USGA rules govern play.
- Each team of four elects a captain.
- All players tee off at each hole. The team captain chooses the best tee shot, and all players continue play from that point. All subsequent shots are played in the same manner.
- Each player's tee shot must be played on a minimum of three holes.
- If you cannot find your ball quickly, please move on.
- When you are finished golfing, turn in your scorecard to the Pro Shop.
- To be eligible for prizes on the par 3 holes, you must tee off from the white tee.
- **Mulligans:** each player may purchase two at check-in for \$5 each. They may not be used on par 3 holes.
- **Putting Contest:** Eligible players get one chance at a fifty-foot putt. Make that putt and walk away with the "green" — \$5,000! (One additional putt on the practice green may be purchased for \$5.)

Since 1987, YOGI Little League has brought a growing baseball program to Grand Isle County towns. Today, our league serves over 150 boys and girls in South Hero, Grand Isle, North Hero and Isle La Motte.

As a non-profit organization, YOGI needs local support to ensure that the program continues with the proper safety equipment, sports equipment, insurance costs and maintained playing fields.

Business and individual participation in our golf tournament will go a long way to help keep the program fees reasonable for the families of Grand Isle County.

Whether you choose to support YOGI as a golfer in the tournament or as a sponsor, we sincerely thank you for helping us "Build the Future" for the children of our community.
